*AVIATION INTERNATIONAL NEWS RANKS BOZEMAN'S YELLOWSTONE
JETCENTER IN TOP TWO PERCENT OF FBOs IN U.S.
Readers Ranked Yellowstone Jetcenter, Private Aviation Terminal for Bozeman's
Gallatin Field, #24 Among Over 1,500 FBOs*

Bozeman, Montana (March 25, 2009) - Yellowstone Jetcenter, a Fixed Base Operator (FBO) at the Bozeman Airport, has been named one of the Top FBOs in North America for the fourth year in a row. *Aviation International News* readers rated the Yellowstone Jetcenter number twenty-four in North America in the 2009 FBO Survey.

"The pilots and passengers who rate the FBOs in this survey are sophisticated, experienced, accomplished professionals with high expectations," said Kent Foster, Yellowstone Jetcenter general manager. "Our staff takes this ranking personally and works very hard year after year to make Yellowstone Jetcenter the best in the business. I'm very proud of our team. They deserve all the credit."

The survey results averaged readers' rankings of FBOs across four key categories: Line service, passenger amenities, pilot amenities, and services and facilities. There are over 1,500 FBO's in North America and the Yellowstone Jetcenter scored in the top 2%.

The Yellowstone Jetcenter (www.ysjet.com) is the number one ranked FBO in Big Sky country and the highest rated facility in the Northwest United States. Yellowstone Jetcenter provides charter arrangements through Voyager Jet

Center (www.voyagerjet.com), a Pittsburgh, PA, based affiliate, on Voyager Jet Center certificate V0JA087M. Voyager Jet Center is one of only 65 out of approximately 2,400 Part 135 operators in the United States to be awarded the ARG/US Platinum rating, the highest-level safety audit rating awarded within the private aviation industry and widely recognized as the ultimate validation of excellence in operational practices and flight safety standards.

About Yellowstone Jetcenter:

Yellowstone Jetcenter, the private aviation Fixed Base Operator serving all of southwest Montana from Gallatin Field in Belgrade, MT, provides exceptional service and maintenance, advanced airfield facilities, 95,000 square feet of hangar space, exceptional pilot facilities including a conference room and flight planning room, lounge, sleep room, and shower and workout facilities.

Yellowstone Jetcenter provides Jet A and Avgas and awards Avfuel AVTRIP points. Yellowstone Jetcenter is an FAA-Certified Repair Station and a William Rolls Factory Authorized Service Center. For more information, please visit www.ysjet.com or call at 800-700-5381.

About Voyager Jet Center
